PUBLIC HARRASMENT

- Thomson Reuters Foundation found that Jakarta had the fifth-most dangerous public transportation system for women in the world, and the second-worst in Asia behind New Delhi.
- Millions of street harassment incidents go unreported each year.
- Some people still considered it as taboo
- Affect the mental health of the victims
- In 2012, Women's Empowerment Minister Linda Agum Gumelar said that Jakarta women has to carry pepper spray to avoid rape (jakartaglobe.id)

WHAT WE OFFER

- Pepper Spray
- Framework behind the digital strategy
- How to outsource with intent
- Creating content for the digital age

03

yesterday we've heard stories from Hollaback, Wanita Mahardika, and Komnas Perempuan. Based on their stories, we've choose Hollaback's problem as our priority to solve.

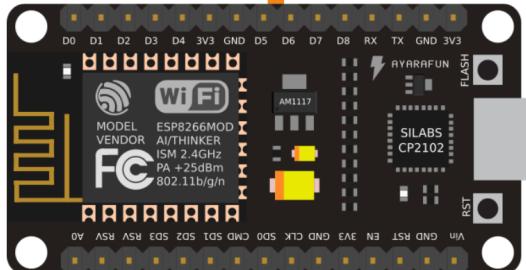

HOLLABACK

We all are know that we still have much things to solve. being focus to the priority is a way to solve those problem efficiently.
